About The Race

Peconic Landing's John May Mile & 5K Race is an annual community event dedicated to fitness, fun, and philanthropy. Held on our scenic waterfront campus, the race raises funds to support the Greenport Fire Department, helping to provide essential equipment and resources for our local first responders. Following the race, we will honor an outstanding community member with the 2025 Older American's Champion Award, recognizing their dedication to making a difference in the lives of older adults. Join us in celebrating health, service, and community spirit!

This year's event takes place on Saturday, May 10, 2025.

Benefitting the Greenport Fire Department

In the past 18 years, the John May Mile and 5K has raised over \$372,000 for the Greenport Fire Department.

"Greenport firefighters, EMTs, and paramedics have never been busier responding to 911 calls, and especially those reporting a medical emergency. Every donation of any size directly supports our mission, and we truly appreciate the help that comes from our community's participation in the John May Mile."

– EMT and Firefighter John Arnold
